

Boyce Avenue, Change your mind

There you are with your perfect way
You've got that little shine in your eyes
To hear one word would make my day
But there's no room for me in your life

Oh you've got me down on my knees
Oh and in my mind I can see
How perfect everything could be
But you won't give us a try

If I could change your mind
How would you want me
Would you say you need me
Cause I need you now

I try to move on but your perfect way
Has got this little child asking why
But this world keeps spinning
As my heart stops beating
Is there still no room inside

Oh you've got me down on my knees
Oh and in my mind I can see
How perfect everything could be
But you won't give us a try

If I could change your mind
How would you want me
Would you say you need me
Cause I need you now

If I could change your mind
(Please tell me I'm not the only one)
(Please help me believe I'm not the only one)
If I could change your mind

If I could change your mind
How would you want me
Would you say you need me
Cause I need you now
If I could change your mind
How would you hold me
Would you stay forever
Or just leave me here to drown

If I could change your mind
(Change your mind)
If I could change your mind
(Change your mind)
