

Boyce Avenue, Find me

So many nights trying to hide it
But now I stay awake just pleading for more
To think this heart was divided
Im losing sleep cause I cant ignore
Feeling your touch all around
Peacefully hearing the sound
Of silence around us
I'm so glad we found us this way
Find me here in your arms
Now Im wondering where youve always been
Blindly I came to you
Knowing youd breathe new life from within
I cant get enough of you
I want to be where you are
In times of need I just want you to stay
I leave a note on your car
When I cant find the right words to say
Hearing your voice all around
The last place were going is down
Ill blindly follow
Knowing youre leading the way
Find me here in your arms
Now Im wondering where youve always been
Blindly I came to you
Knowing youd breathe new life from within
With you in time
Theres nothing else
My life stands still
You are the will that makes me strong
Make me strong
If ever alone in this world I know Ill always
Find me here in your arms
Now Im wondering where youve always been
Blindly I came to you
Knowing youd breathe new life from within
When you sleep here in my arms
Where the world just shuts down for awhile
Blindly you came to me
Finding peace and belief in this smile
Find some peace and belief in this smile
Find some peace and belief in this smile
I cant get enough of you
