

# Boys Like Girls, Five Minutes To Midnight

Brown eyes and lungs are filled up with smoke  
Fast lives are stuck in the undertoe  
But you know the places I wanna go

'Cause oh oh oh,  
I've got a sickness  
You've got the cure  
You've got the spunk I've been lookin' for  
And I've got a plan we walk out the door

No you wanna just let go,  
It's time to roll down the windows  
Sing it oh oh oh  
Yeah all we need  
So here we go

Turn it up  
It's five minutes to midnight  
You're coming home with me tonight  
I can't get enough, shakin' me up  
Turn it up  
Alright  
At five minutes to midnight  
You see our name in city lights  
We'll make the clock stop  
Make your heart drop  
And come alive

We could pack up  
And leave all our things behind  
No fact, or fiction, or storyline  
'Cause I need you more than just for tonight

You're oh oh all I care  
I can't stop my breathing  
I'm weak and you were my medicine  
I won't stop till I am under your skin

No you wanna just let go,  
It's time to roll down the windows  
Sing it oh oh oh  
Yeah all we need  
So here we go

Turn it up  
It's five minutes to midnight  
You're coming home with me tonight  
I can't get enough, shakin' me up  
Turn it up  
Alright  
At five minutes to midnight  
You see our name in city lights  
We'll make the clock stop  
Make your heart drop  
And come alive

And when the clock strikes twelve  
Will you find another party  
Go and kiss and tell  
'Cause you know I never will  
I think we should strike a match  
We'll hold it to the wind to  
See how long it lasts  
We can make the time stand still

Turn it up  
It's five minutes to midnight  
You're coming home with me tonight  
I can't get enough, shakin' me up  
Turn it up  
Alright  
At five minutes to midnight  
You see our name in city lights  
We'll make the clock stop  
Make your heart drop  
And come alive

Turn it up  
It's five minutes to midnight  
You're coming home with me tonight  
I can't get enough, shakin' me up  
Turn it up  
Alright  
At five minutes to midnight  
You see our name in city lights  
We'll make the clock stop  
Make your heart drop  
And come alive
