

# Boys Like Girls, Love Drunk

(hey! hey! hey! hey!)  
Top down in the summer sun  
The day we met was like a hit and run  
And I still taste it on my tongue  
(taste it on my tongue)  
The sky was burning up like fireworks  
You made me want you oh so bad it hurts  
But girl, in case you haven't heard  
I used to be love drunk  
But now I'm hungover  
I love you forever  
Forever is over  
We used to kiss all night  
Now it's just a barfight  
So just call me crazy  
Say hello then goodbye  
(okay!)  
There's just one thing  
(okay!)  
Would make me say  
I used to be love drunk  
But now I'm hungover  
I love you forever  
But now it's over  
(hey! hey! hey! hey! hey! hey! hey! hey! hey! hey!)  
Hot sweat and blurry eyes  
We're spinning on a roller coaster ride  
With the world stuck in black and white  
You drove me crazy every time we touched  
Now im so broken that i can't get up  
Oh girl, you make me such a rush  
I used to be love drunk  
But now I'm hungover  
I love you forever  
Forever is over  
We used to kiss all night  
Now it's just a barfight  
So just call me crazy  
Say hello then goodbye  
(okay!)  
There's just one thing  
(okay!)  
Would make me say  
I used to be love drunk  
But now I'm hungover  
I love you forever  
But now it's over  
All the time I wasted on you  
All the bullshit you put me through  
I'm checking into rehab  
Cause everything that we had  
Didn't mean a thing to you  
I used to be love drunk  
(but now I'm hungover)  
I love you forever  
But now it's over  
I used to be love drunk  
But now I'm hungover  
I love you forever  
Forever is over  
We used to kiss all night  
Now it's just a barfight  
So just call me crazy  
Say hello then goodbye

(okay!)  
There's just one thing  
(okay!)  
Would make me say  
I used to be love drunk  
But now I'm hungover  
I love you forever  
But now it's over  
(na na na na na na na na na  
na na na na na na na na na  
na na na na na na na na na  
na na na na na na na na na)  
Now it's over  
Still taste it on my tongue  
Now it's over B
