

# Boyssetsfire, Chapters 4: Blame (Live At Eleven):

"broadcast. talking words. real words. painful words. makes you look so cheap. you can't star

[ASSIGNMENT: Take an evening and watch your evening news. With a pad of paper and pen, writ

[Points to consider:]

[1 the idea that you need protection from other citizens]

[2 the idea that only your government can provide that protection]

[3 who benefits from these ideas]
