

BoyWithUke, Just Let Me Go

Baby I don't want to say
I want you to be ok
My ceiling's coming down to play
With my head
Oh but
They can't get me in my bed
(Aww)

Where do I go when it gets cold?
Colder than the moon
They wanna live before they get old
But I'm not sure I want to

Oh no, oh no, oh no
Oh no, oh no, oh no

I just wanna feel like I'm ok
I just wanna go
I got one foot in the grave

I just wanna go
I know my place
Please just let me go
Living like a fool, it's not a race

See that I'm psycho, I feel like I might go
While birds running circles go numb
I hate when I'm stuck home
I hate when I'm alone
I can't wait
My demons have won

I just wanna go
I know my place
Please just let me go
Living like a fool it's not a race

I'm a safer driver
With a phone in one hand
Could you help my mom?
When I'm gone
Cause I can't
I'll see you soon, or not
I'll set ya free
