

# BoyWithUke, Lucid (Interlude)

I'm wide awake, wide awake, I don't feel fear  
Tidal waves of all I hate, but I'm still right here  
Wide awake, I'm wide awake, I don't feel fear  
I'm not afraid of what you say, I said I'll stay right here

Wide awake, wide awake  
Lucid dreaming  
I'm wide awake, wide awake  
Lucid dreaming  
Wide awake, wide awake  
Lucid dreaming  
I'm wide awake, wide awake  
Lucid dreaming

I'm wide awake, wide awake, I don't feel fear  
Tidal waves of all I hate, but I'm still right here  
Wide awake, I'm wide awake, I don't feel fear  
I'm not afraid of what you say, I said I'll stay right here

Wide awake, wide awake  
Lucid dreaming  
I'm wide awake, wide awake  
Lucid dreaming  
Wide awake, wide awake  
Lucid dreaming  
I'm wide awake, wide awake  
Lucid dreaming

Wide awake, wide awake  
Wide awake, wide awake
