

# Boyz II Men, Can't Let Her Go

I can't let her go, I can't let her go  
'Cause I need the love she gives to me  
I can't let her go, I can't let her go  
And she knows that we were meant to be

First time I saw her  
Thought that I would lose my mind  
Just had to have her  
I had to have her in my life

The way you make me feel  
Is like no other feeling that I've had (I've ever had) before  
You give the kind of lovin'  
Make a brother wanna come for more  
And more she's the one I adore

I can't let her go, I can't let her go  
'Cause I need the love she gives to me  
I can't let her go, I can't let her go  
And she knows that we were meant to be

Just can't believe it  
She's got me open all the time  
She knows I'm never leavin'  
Can't be wrong 'cause it feels so right  
The way you make me feel

The way you make me feel  
Is like no other feeling that I've had (I've ever had) before  
You give the kind of lovin'  
Make a brother wanna come for more  
And more she's the one I adore and that's why

I can't let her go, I can't let her go  
'Cause I need the love she gives to me  
I can't let her go, I can't let her go  
And she knows that we were meant to be

No one can do what you do  
When you do what you're doin to me  
And I can't believe can it be that it's me  
That you're feelin'  
It's ecstasy

I can't let her go, I can't let her go  
'Cause I need the love she gives to me  
I can't let her go, I can't let her go  
And she knows that we were meant to be

No one can do what you do  
When you do what you're doin to me  
And I can't believe can it be that it's me  
That you're feelin'  
It's ecstasy

I can't let her go, I can't let her go  
'Cause I need the love she gives to me  
I can't let her go, I can't let her go  
And she knows that we were meant to be

I can't let her go, I can't let her go  
'Cause I need the love she gives to me  
I can't let her go, I can't let her go  
And she knows that we were meant to be
