

# Boyz II Men, Good Guy

Oh oh, oh oh, oh oh ohh

I don't understand your thinking  
Thought we were happy, guess I was mistaken  
Gave you all my love and my attention,  
Say you dont want me, cuz something is missing  
Gave you all you wanted and you know it's true  
All that I was doin' it meant nothing to you  
And if I dogged you out, we'd probably be cool  
But I was good to you, so good

Don't you want a guy that's real nice  
That'll spend all his dough and his time  
But then you change your mind and want a thug guy  
That won't act right  
It doesn't pay to be the good guy  
You callin' me late nights  
Tellin' me how he won't act right  
Stayin' with him but he makes you cry  
Tell me why  
Doesn't pay to be the good guy

'Cause Everytime I try to be the good guy  
You take me for granted, throw me to the side  
Rather have a man that'll tell you lies  
Tell me why, tell me why, tell me why

Why should I be the good guy  
And get left for the man that don't treat you right  
There's nothing good in being good guys  
Tell me why, tell me why, tell me why

I don't understand your reason  
Sayin' you love me, then sayin' you're leavin'  
The situation here is really changin'  
Don't wanna fall in love cuz you play me (oh)  
You gotta be kiddin' me (no)  
Been tryin' to get rid of me  
I did more for you than any brother would do  
I was good to you, so good

Don't you want a guy that's real nice  
That'll spend all his dough and his time  
But then you change your mind and want a thug guy  
That won't act right  
It doesn't pay to be the good guy  
You callin' me late nights  
Tellin' me how he won't act right  
Stayin' with him but he makes you cry  
Tell me why  
Doesn't pay to be the good guy

'Cause Everytime I try to be the good guy  
You take me for granted, throw me to the side  
Rather have a man that'll tell you lies  
Tell me why, tell me why, tell me why

'Cause Everytime I try to be the good guy  
You take me for granted, throw me to the side  
Rather have a man that'll tell you lies  
Tell me why, tell me why, tell me why

I was good to you (I played the fool)  
Played the fool for you

You messed it up for the next girl in my life  
I'll never do,  
The things I do for you  
Our love just wasn't true  
I was good to you, so good to you  
So good to you  
Everytime I try

'Cause Everytime I try to be the good guy  
You take me for granted, throw me to the side  
Rather have a man that'll tell you lies  
Tell me why, tell me why, tell me why
