

# Boyz II Men, I Will Get There (Inspirational Version)

Oh...oh...h...

Hey...

Yeah...

I've been wanderin' 'round in the dark  
Been lost somewhere where no light could shine on my heart  
I have known a pain so deep  
But I know my faith will free me

[Get there] And I'll get through this  
[Get there] I'll find my way again  
So don't tell me that it's over  
'Cause each step just gets me closer

(I will get there) I will get there  
(I will get there) I will get there somehow  
Cross that river (Cross that river)  
Nothing's stoppin' me now

I will get through the night (Oh, yes, I will)  
And make it through to the other side  
(Get there) Get there  
(Get there) Get there

I've been in these chains for so long  
I'll break free and I'll be there where I belong  
Hold my head up high, I'll stand tall  
And I swear this time I won't fall

[Get there] I will do this  
[Get there] No matter what it takes  
'Cause I know no limitations  
And I'll reach my destination, I will get there

I will get there (I will get there)  
I will get there (Ooh) somehow (Somehow)  
Cross that river (Cross that river)  
Nothing's stoppin' me now

I will get through the night  
And make it through to the other side  
(Ooh, get there) Get there  
(Get there) Get there

Well, the night is cold and dark  
But somewhere the sun is shining  
And I'll feel it shine on me  
I'll keep on tryin', I'll keep on tryin'

I will get there (I will get there)  
I will get there somehow  
Cross that river (Cross that river)  
Nothing's stoppin' me now  
I will get through the night  
And make it through to the other side  
Get there, get there

I will get there (I will get there)  
I will get there somehow (Somehow)  
Cross that river (I'll cross that river for you)  
Nothing's stoppin' me now (Oh...whoa...!)

I will get through (Through) the night  
And make it through to the other side (Oh...ho...oh...ho...)

(Get there) Get there  
(Ooh, get there) Get there (Whoa...oh...)

I will get there (I will get there)  
I will get there somehow (Somehow)  
Cross that river (I'll cross it for your love)  
Nothing's stoppin' me now (No matter what)

I will get through the night (I will get through the night)  
And make it through to the other side  
(Get there) Get there  
(Ooh, get there) Get there

Get there

Oh...ho...oh...  
I'll get there
