

# Boyz II Men, Let It Snow

Let it snow, let it snow

Hey, it's another Christmas Holiday  
It's a joyous thing let the angels sing  
Cause we're together  
We got a thing can't let it slip away  
When our bodies meet  
I don't care about the weather

Let it snow, let it snow  
Outside it's cold but the fires blazin'  
So baby let it snow  
Let it snow, let it snow, let it snow

Ohhhh, come over here and help me trim the tree  
I wanna wrap you up baby  
Then you'll see you're the only present I need  
There's so much more  
Waiting for you in store  
From this precious day  
I can gladly say  
There's no place I'd rather be  
I know you are my everything, come a little closer  
God must have sent you down from heaven

Let it snow, let it snow  
Outside it's cold but the fires blazin'  
So baby let it snow  
Let it snow, let it snow, let it snow

Let it snow, let it snow  
Let it snow, let it snow  
I don't care what the weather may be  
As long as you're here with me
