

Boyz II Men, Let It Snow

Let it snow, let it snow

Hey, it's another Christmas Holiday
It's a joyous thing let the angels sing
Cause we're together
We got a thing can't let it slip away
When our bodies meet
I don't care about the weather

Let it snow, let it snow
Outside it's cold but the fires blazin'
So baby let it snow
Let it snow, let it snow, let it snow

Ohhhh, come over here and help me trim the tree
I wanna wrap you up baby
Then you'll see you're the only present I need
There's so much more
Waiting for you in store
From this precious day
I can gladly say
There's no place I'd rather be
I know you are my everything, come a little closer
God must have sent you down from heaven

Let it snow, let it snow
Outside it's cold but the fires blazin'
So baby let it snow
Let it snow, let it snow, let it snow

Let it snow, let it snow
Let it snow, let it snow
I don't care what the weather may be
As long as you're here with me
