

# Boyz II Men, Nothing But Trouble

So you're feelin' lonely  
Like love has gone away at night  
You're brokenhearted cause your man ain't never done you right  
You feel discouraged, feel like loving nothing but love  
You're brokenhearted  
Take another teardrop from your eyes, I'm telling you

No woman don't cry  
Promise I will be by your side  
I want you to know that love is a lie (Yes it is)  
And love don't want no woman to cry

I can hear you thunder  
I can feel the pain in your eyes  
I can smell the flowers that he never gave on Valentine's

Don't be discouraged cause he wasn't right  
I know your heart is broken  
But I promise you that you're those survivors I'm tellin you

No woman don't cry  
Promise I will be by your side  
I want you to know that love is a lie  
And love don't want no woman to cry

You gave him your love  
You gave him your soul  
You gave him your money  
You gave him a home  
Well all he ever gave you  
Was a broken heart  
Well girl I'm right here standing with love

No woman don't cry  
Promise I will be by your side  
I want you to know that love is a lie  
And love don't want no woman to cry
