

Boyz II Men, Roll Wit Me (Remix) / Feat. Fabolous

I don't wanna waste your time
With some kind of playa line,
But I need to know some things about ya
One; do you have a man you claim
Or are you doing your own thang
Cause if so then I can't leave without
Your name or your number
Where you live
Can I call you sometime
Wait a minute better yet
I'll give you mine

Tell me what your interests are
Who you be with
Your ideal man can I be it?
Let me know before you go
Cause I just won't take no

Baby I wanna do
Whatever's on your mind
You'll make it all come true
(Baby) If you roll with me tonight (Baby)
Baby I want to do
Whatever's on your mind
You'll make it all come true
If you roll wit me tonight

You make a brother wanna do
Things I never thought I'd do
Got me open and I'm hoping baby I
I can take you for a ride
Bently's right outside
You can make it happen
If you just tell me your name
And your number, where you live
Can I call you sometime
Wait a minute, matter fact
I'll give you mine
I'll give you mine

Tell me what your interests are
Who you be with
Your ideal man can I be it
Let me know before you go
Cause I just won't take no

Baby I wanna do
Whatever's on your mind
You'll make it all come true
If you roll with me tonight (Baby)
Baby I want to do
Whatever's on your mind
You'll make it all come true
If you roll with me tonight

Baby I wanna do
Whatever's on your mind
You'll make it all come true
If you roll with me tonight
Baby I want to do
Whatever's on your mind
You'll make it all come true
If you roll with me tonight

Come on and roll
I don't wanna stress ya
All I wanna do is get next to ya
Oh I wanna be the man that makes you feel
Like no one else can
Oh I don't want to stress ya
All I wanna do is get next to ya
Want you to give it all to me
I wanna be the one that sets you free
Come on and roll
Ahh Ahh You You
Ahh Ahh You You
Ahh Ahh You You
Ahh Ahh

Tell me what your interests are
Who you be with
Your ideal man can I be it
Let me know before you go
Cause I just won't take no

Baby I wanna do
Whatever's on your mind
You'll make it all come true
If you roll with me tonight
Baby I wanna do
Whatever's on your mind
You'll make it all come true
If you roll with me tonight

Baby I wanna do
Whatever's on your mind
You'll make it all come true
If you roll with me tonight
Baby I wanna do
Whatever's on your mind
You'll make it all come true
If you roll with me tonight
