

Boyz II Men, Time Will Reveal

Uhh

What can I do?

To make you feel secure

Remove all your doubts

So that you'll know for sure that you're the apple of my eye, girl

Fulfillment of my dreams

Time, will show the value

Of just what you mean to me

More precious than silver

More precious than diamond rings or anything that I can give you

It wouldn't mean a thing

If you didn't have my love beside you there to guide you through

Well it is good to know you do

I know just how you feel

Well this time love's for real

In time it will reveal

That special love that's deep inside of us all will reveal in time

I tell you I love you, but you don't believe it's true

More precious than silver

More precious than diamond rings or anything that I can give you

It wouldn't mean a thing

If you didn't have my love beside you there to guide you through

But it is good to know you do, ahh

I know just how you feel

But this time love's for real

In time it will reveal

That special love that's deep inside of us will all reveal in time

I know just how you feel

But this time love's for real

In time it will reveal

That special love that's deep inside of us all will reveal in time

Da da da...

Or anything that I could give you

It wouldn't mean a thing

If you didn't have my love beside you there to guide you through

Well it is good to know you do, ahh

I know just how you feel

But this time love's for real

In time it will reveal

That special love that's deep inside of us will all reveal in time

I know just how you feel

But this time love's for real

In time it will reveal

That special love that's deep inside of us will all reveal in time

Oh, that special love in us will all reveal in time

So let your little heart lay down upon me

I know just how you feel

But this time love's for real

In time it will reveal

That special love that's deep inside of us will all reveal in time
