

# Boyz II Men, Uhh Ahh (Dedication Mix)

Chorus:  
Uhh Ahh  
Uhh Ahh  
Uhh Ahh  
Uhh Ahh

The love I have right next to me  
Is here and always will be  
I'm caressing your body emotionally  
As you can feel and will see

Oh tell me why can't we go all the way to the top  
The fullest extreme  
The sounds are here when you're with me  
Express the way that you feel  
And you say...

Chorus

In a passionate set we're moving close  
Every bit of love that we share is the same  
I can tell when I reach down deep inside  
You show it when you call out my name

Squeezing you tight and holding you close  
Is all I feel inside  
Although I try to hold in my love  
It's something that I just can't hide

Chorus (repeats twice)

Mike (Spoken)  
The music is low  
The lights are dim, there we lie  
Passion overflows  
With every look in your eyes  
Infatuation, lust and a lot love  
Sweet caresses and yes' to me as you rub  
And clench my back  
Ecstasy fills the air  
As you kiss on my neck  
And stroke the back of my hair  
To hold you tonight  
I feel this is my duty  
To grasp, to hold, to rock that booty

Chorus (repeats and fades out)
