

Boyz II Men, Vibin'

Talk:

Just take a minute and catch the vibe
Just take a minute and catch the vibe
Just take a minute and catch the vibe
Just take a minute and catch the vib

Verse:

Coolin' in the studio you know how they story goes
Bobbin' our hearts II the tune we're about II do
It's laid back swing thang
The groove u feel is strong, we need peace here II get it on
Having fun as we go, makin' sure the flavor shows
Cause we're feeling alright
Takin' our time II free our minds and have a ball, ya'll
Everything's fine it ain't nothing II it 'cause
We're gonna do it all, what r we doin'

Chorus:

We're just vibin' dancing the night away
Groovin', vibin', non stop until the break of day

Verse:

In a dark room with bue light
In the basement music just right
Nothing goin' down but the mellow sounds
Of Mr. DJ's turntable's goin' round
A mad sensation, a crew of women around sparks inspiration
II set something off the right way II hear the people say
That we're feelin' alright
Takin' our time II free our minds and have a ball y'all
Everything's fine it ain't nothing II it
'Cause we're gonna do it all, don't u know that

Chorus:

We just vibin' dancing the night away
Groovin', vibin', don't stop until the break of day

Chorus
