[Jody Breeze]

Cuz the shits gon' get gritty as a sewer pit
Boyz N Da Hood bitch guess we gotta a truer click
And we gon' show them lames exactly what they dealing wit
Watch them dumb fucks cuddle up when the tool clicks

[Big Gee]

My poultry died
My car got towed today
My lights ain't on
My folks stole all the yay
My piss dirty P.O. gon' told the state
Rent late trying to find me a home to stay
Bench warrants in bout 4 southeastern states
Last night I shot a nigga all in the face
I just got another call full of bad news
Touch me I'ma kill ya got problems and an attitude

[Chorus]

[Duke]

Now I'm off up in the club drunk, twisted and booted
You don't wanna test the gangsta when the grams get tooted
Pack a plastic pistol partner please believe I'll shoot it
It's the perfect time and place when you want me to prove it

[Big Gee]

You can huff and puff like the big bad wolf
I'll bar ya face up tight and sport the kick ass look
You can flabber jack, chow jack, talk back
cuss me, tongue wrestle til ya tongue tied

But don't touch me

[Young Jeezy]

I'm such a gangsta I don't tout glocks
Pop the trunk pump ya ass like some Reeboks
And I'm strapped I ain't slipping
Red jersey on Jeezy still cropping

[Jody Breeze]

At any time I'm willing to pop the clip in
Cock back one up in ya hip and see if you limp then
I done said just about what the fuck I'ma say
So I'ma leave saying nigga stay the fuck out my face cause I ain't playing

[Chorus]
