

# Boyzone, Believe

You said you could see no end  
The world and himself were all on your back  
I vowed to take your hand  
Show the world in a different light  
All that you've done  
You've got to believe  
In all of your dreams  
No matter what the world can throw at you  
You know you can believe  
Believe in me  
And after all  
I'll still believe in you

And even if you cannot see  
The brighter light ahead I'll see  
You must believe, believe in me  
And after all I'll still believe in me

I'll pull away the clouds  
That cover you up that leave you down  
I won't leave you all alone  
I'll be there for you in your darkest hour

And all that you've done  
You've got to believe  
In all of your dreams

[CHORUS]

And when it's dark outside  
I'll protect you from the night  
My shoulder you can rely  
I won't do you no wrong

And all that you've done  
You've got to believe  
In all of your dreams

[CHORUS]
