

# Boyzone, I Love The Way You Love Me

I like the feel of your name on my lips  
And I like the sound of your sweet gentle kiss  
The way that your fingers run through my hair  
And how your scent lingers even when you're not there  
And I like the way your eyes dance when you laugh  
And how you enjoy your two-hour bath  
And how you've convinced me to dance in the rain  
With everyone watching like we were insane

But I love the way you love me  
Strong and wild, slow and easy  
Heart and soul so completely  
I love the way you love me

And I like the sound of old R 'n' B  
And you roll your eyes when I'm slightly off key  
And I like the innocent way that you cry  
At sappy old movies you've seen thousands of times

[Chorus]

(Listen to me now..)  
And I could list a million things  
I love to like about you  
But they could all come down to one reason  
I could never live without you..

[Chorus]
