

# Boyzone, I've Got You

I don't need any money  
and I guess you think that's funny  
I got all I need right here with you  
I don't need no fancy car  
No turbo charge no super charge  
None of that means anything to me

[Cos]

I've got you (every second every minute)  
I've got you (every second every minute)  
I've got you (every second every minute)

[Baby]

I've got you (every second every minute)  
I've got you (every second every minute)  
I've got you  
You and me

I don't need a mansion  
With a room for each occasion  
Cos I got all I want right here with you  
I ain't got no time for fashion  
No Georgio no Calvin  
None of those mean anything to me

[Cos]

I've got you (every second every minute I've got you)  
I've got you (every second every minute I've got you)  
I've got you (every second every minute I've got you)  
every second every minute I've got you

[Baby]

I've got you (every second every minute I've got you)  
I've got you (every second every minute I've got you)  
I've got you (every second every minute I've got you)  
You and me  
oooh

You're the only one for me  
Cos you got everything I need  
Nothing else means anything to me

[Cos]

I've got you (every second every minute I've got you)  
I've got you (every second every minute I've got you)  
I've got you (every second every minute I've got you)  
every second every minute I've got you

[Baby]

I've got you (every second every minute I've got you)  
I've got you (every second every minute I've got you)  
I've got you (every second every minute I've got you)  
You and me  
oooh  
[...to fade]
