Boyzone, Love Me For A Reason

Girl when you hold me How you control me You bend and you fold me Any way you please It must be easy for you To love the things that you do But just a pastime for you I could never be

And I never know, girl If I should stay or go Cos the games that you play Are driving me away...

Don't love me for fun, girl Let me be the one, girl Love Me For a Reason Let the reason be love Don't love me for fun, girl Let me be the one, girl Love Me For a Reason Let the reason be love

Kisses and caresses Are only minor tests, babe Of love turned to stresses Between a woman and a man So if love everlasting Isn't what you're asking I'll have to pass, girl I'm proud to take a stand

I can't continue guessing Because it's only messing With my pride, and my mind So write down this time to time

[CHORUS]

I'm just a little old-fashioned It takes more than a physical attraction My initial reaction is Honey give me a love Not a fascimile of

[CHORUS to fade]
