

# Boyzone, Love You Anyway

Tell me what you want from me  
So I can try to make you see  
That I'm in no position for giving  
Cos' all I see you do is lie  
And I can't help but close my eyes  
And wonder 'bout you in my life  
I'm drowning in your tears

I'm delirious  
Are you serious?  
What goes on in your head?  
I'm just curious  
Cos' I'm hanging here  
Got me dangling here  
Think your love, oh your love has got off my head

It's unbelievably hard to love you  
But I love you anyway  
I've been trying too hard not to love you  
But I love you anyway

Oh, I should've known  
That you'd go and steal my eyes  
Oh, I should've known  
From then on I'd lose my life

I'm delirious  
Are you serious?  
What goes on in your head?  
I'm just curious  
Cos' I'm hanging here  
Got me dangling here  
Think your love, oh your love has got off my head

It's unbelievably hard to love you  
But I love you anyway  
I've been trying too hard not to love you  
But I love you anyway  
It's so incredibly hard to love you  
But I love you anyway  
And every time I try too hard not to love you  
I love you anyway

I don't get it, I really don't get it  
I try to walk away but my feet won't let me  
I don't get it, I just don't get it  
I try to walk away but my feet won't let me

You have me baby  
You drive me crazy  
You have me baby  
You drive me crazy

It's unbelievably hard to love you  
But I love you anyway  
I've been trying too hard not to love you  
But I love you anyway  
(You have me baby)  
It's so incredibly hard to love you  
(You drive me crazy)  
But I love you anyway  
And every time I try to hard not to love you  
But I love you anyway

I don't get it, I really don't get it  
I try to walk away but my feet won't let me  
I don't get it, I just don't get it  
I try to walk away but my feet won't let me.
