

Boyzone, You Needed Me

I cried a tear
You whipped it dry
I was confused
You cleared my mind

I sold my soul
You bought it back for me
And helped me up
And gave me dignity
Somehow you needed me

(Chorus):
You gave me strength
To stand alone again
To face the world
Out on my own again
You put me high
Upon a pedestal
So high that I could almost see eternity
You needed me
You needed me

And I can't believe it's you
I can't believe it's true
I needed you
And you were there
And I'll never live what should I feel
I need a fool
And I finally found someone who really care
You needed me

You held my hand
When it was cold
When I was lost
You took me home
You gave me love
When I was empty, and
And turned my light
Back into truth again
You even called me friend

(Repeat Chorus)

You needed me
You needed me
You needed me
You needed me
You needed me
