

Boz Scaggs, Slow Dancer

I have never loved a lady never touched a silken knee,
Thinkin' maybe you drove me crazy you were so easy to me.

Lay me down in Georgia pine cones whisper to me through the trees,
You're the one I always dream of you're the only one I see.

Chorus:

Oh, slow dancer sweet romancer,
Shine your light on me,
Slow dancer holds the answer,
Only you can set me free.

Never see your face in the sunlight moonlight sends you straight to me,
You never even got my name right you were so easy to me.

Chorus:

Oh, slow dancer sweet romancer,
Shine your light on me,
Slow dancer give me the answer,
Only you can set me free.
