

Braaheim, Feel Again (TikTok hit 2023)

Oh, you spin me around
Turn my heart upside down
Only you make me feel again
Oh baby
Why you got me feel like I'm in heaven?
Hands upon your body like a blessing
Breaking all the rules you'll be my rebel
My rebel
Oh, you spin me around
Turn my heart upside down
Only you make me feel again
I'm so lost in your eyes
Need your love all the time
Only you make me feel again
Oh, you spin me around
Turn my heart upside down
Only you make me feel again
I'm so lost in your eyes
Need your love all the time
Only you make me feel again
Oh baby
Come on let me show you diamonds
You got me in the middle without trying
Leave me like a mess and I can't hide it
I can't hide it
Oh, you spin me around
Turn my heart upside down
Only you make me feel again
I'm so lost in your eyes
Need your love all the time
Only you make me feel again (feel again)
Oh, you spin me around, 'round, 'round, 'round, 'round (feel again)
Turn my heart upside down, down, down, down, down (feel again)
Oh, you spin me around, 'round, 'round, 'round, 'round (feel again)
Turn my heart upside down, down, down, down, down (feel again)
Oh, you spin me around
Turn my heart upside down
Only you make me feel again
I'm so lost in your eyes
Need your love all the time
Only you make me feel again
Oh, you spin me around
Turn my heart upside down
Only you make me feel again
I'm so lost in your eyes
Need your love all the time
Only you make me feel again
