Bracket, A Happy Song

Sing a happy song for me
Sing a happy song for me

I didn't mean to cause you pain
I didn't mean to leave a stain
I didn't mean to say that I loved you

I never thought that I would crash
I never thought I'd turn to ash
I never thought that I would love you

Sing a happy song for me
Sing a happy song for me

I didn't mean to steal your time
I didn't mean to make you shine
I didn't mean to say that I loved you

I don't mean to be so mean
I don't mean to come so clean
But now I'm everything without you

Here's another song for you
It might not be my best tune
But all the words I say ring true
I'm everything without you
I'm everything without you
I'm everything without you
I'm everything without you
Without you
