

Bracket, Homesick

I always feel out of place
When I'm away from home
I don't want to go away
To somewhere I don't know

I should not go far away

I am not feeling well
When will it all subside
If I don't get my way
I will commit suicide

How much further do I have to go [x3]

I'm not safe, I'm not sound
When I don't know where I'm at
I can't sleep, I can't eat
When I think of going back
