

# Bracket, Warren's Song Pt. 2

I don't want you to know that I'm alone  
Rather be at school well, then at home  
If I had a friend I would have known

This is something that you don't understand  
What it's like to be under someone's hand  
I never like the boy inside the man

I can't forget the memories  
Of how things used to be  
Now stop and take a look at me

I can't go  
I can't let go and forget  
I can't let go (x2)

I want you all to know that I'm alive  
Couldn't make me quit or take a dive  
All I need is just another life

I can't forget the memories  
Of how things used to be  
Now stop and take a look at me

I can't go  
I can't let go and forget  
I can't let go (x2)

I can't forget the memories  
Of how things used to be  
Now stop and take a look at me

I can't go  
I can't let go and forget  
I can't let go (x2)
