

Bracket, Warren's Song Pt. 23

Give me an inch and I'll take a while,
Forever out of step and I'll rest all?

I can talk without mumbling
I can't walk without stumbling

Love gone back forgotten
I'm broken and locked in
I tried a lie always fail

Keep expectations low
It's a way out

I get along to anything but myself now
I can't talk with mumbling
I can't talk without stumbling

Not gone back forgotten
I'm broken and locked in
I tried a lied of

I feel done for you,

and all that you do
feel done for you

and your have love is gone soon
is feeding mine demise
