

# Bracket, Yoko Oh-No

Why does it seem so obscene  
When everyone sees her walking around with me  
See the love in our eyes  
When we sing our songs about love and peace

Yoko ono ono  
Yoko Yoko ono ono  
Oh-no  
Yoko ono ono  
Yoko Yoko ono ono

Where I go, she will go  
When we stop I'm sure that the world will know  
See the love in our eyes  
When we sing our songs about growing old

Yoko ono ono  
Yoko Yoko ono ono  
Oh-no  
Yoko ono ono  
Yoko Yoko ono ono

Oh-no - oh-no - oh-no - oh-no

We can sit in your shade maybe  
We can stand in my sun and then  
I'll feel so high  
As long as it's you standing by my side

Where I go, she will go  
When we stop I'm sure that the world will know  
See the love in our eyes  
When we sing our songs about growing old

Yoko ono ono  
Yoko Yoko ono ono  
Oh-no  
Yoko ono ono  
Yoko Yoko ono ono

Oh-no - oh-no - oh-no - oh-no  
Oh-no - oh-no - oh-no - oh-no
