

# Bracket, You / Me

You - distant and free  
Me - feeling lonely

When will I realize?  
That you're not satisfied  
For now we'll say goodbye  
I'll have to get over it now

You - heavy handed  
Me - empty handed

When will I realize?  
That you're not satisfied  
For now we'll say goodbye  
I'll have to get over it now  
I'll have to get over it now  
I'll have to get over it now
