

# Brad Sucks, Borderline

you're the best friend that i have  
sometimes i wish i was dead  
but you can't go changing everything you feel like changing can you  
i wish i was just like you  
i don't like my attitude  
but you can't go being everybody that you want to can you

ain't nobody around  
i'm just sitting here by myself  
with next to nothing on my mind  
ain't nobody around  
i'm just sitting here by myself  
relaxing on the borderline

you're the only girl i love  
i'm on many kinds of drugs  
i can't see and i can't breathe and i can't stay and i can't leave  
if it's good let's take it slow  
baby i'm a fucking joke  
and if i can i'll do my best and do it right regardless of this
