

# Brad, Takin' It Easy

Anytime at all if you want to I'll understand,  
We can all walk farther into the sun.  
And I believe that sometimes if you wait just a little bit,  
You'll find that everything's on the one

:chorus:;

Hey, takin' it easy

We got all the time to kill and that's all fine

:chorus:

I don't know if we'll ever find our way back home  
It's been so long and I don't know if I feel I can try.  
Everybody worries about it but I don't give a damn,  
Push on through is all you got to do.

:chorus:

:chorus:

I don't ever want

Anything to come between

You and me.

I don't want anything

To come between you and me,

Can't you see?
