

# Brady Bunch, It's A Sunshine Day

I think I'll go for a walk outside now  
The summer sun's callin' my name  
(I hear ya now)  
I just can't stay inside all day  
I've gotta get out, get me some of those rays

(Everybody's smilin')  
Sunshine day  
(Everybody's laughin')  
Sunshine day  
(Everybody seems so happy today)  
It's a sunshine day

I think I'll go for a walk outside now  
The summer sun knows me by name  
(He's a-callin' me)  
I gotta get out, gotta get out, gotta get away  
I gotta get away, get away, get away, get away  
Into the sunshine day

Can't you dig the sunshine? (Day)  
Love and sun are the same (Ooh)  
Can't you hear him callin' your name?

Oh, I think I'll take a walk everyday now  
The summer sun, show me the way  
(To be happy now)  
I just can't stay inside all day  
I gotta get out, get me some of those rays

(Everybody's smilin')  
Sunshine day  
(Everybody's laughin')  
Sunshine day  
(Everybody seems so happy today)  
It's a sunshine day
