

Brady Bunch, Sunshine Day

I think I'll go for a walk outside now
the summer sun's callin' my name
I hear ya now
I just can't stay inside all day
I gotta get out get me some of those rays
everybody's smilin'
sunshine day
everybody's laughin'
sunshine day
everybody seems so happy today
it's a sunshine day

I think I'll go for a walk outside now
the summer sun knows me by name
he's a-callin' me
I gotta get up, gotta get out, gotta get away
I gotta get away, get away, get away, get away
Into the sunshine...

Day...
Can't you dig the sunshine
Day...
Love and sun are the same
Oooh...
Can't you hear him callin' your name?

Oh, I think I'll take a walk everyday now
the summer sun has shown me the way
to be happy now
I just can't stay inside all day
I gotta get out get me some of those rays
everybody's smilin'
sunshine day
everybody's laughin'
sunshine day
everybody seems so happy today
it's a sunshine...

Day...
Can't you dig the sunshine
Day...
Love and sun are the same
Oooh...
Can't you hear him callin' your name?

I think I'll go for a walk outside now
the summer sun's callin' my name
I hear ya now
I just can't stay inside all day
I gotta get out get me some of those rays
everybody's smilin'
sunshine day
everybody's laughin'
sunshine day
everybody seems so happy today
it's a sunshine day

everybody's smilin'
sunshine day
everybody's laughin'
sunshine day
everybody seems so happy today
it's a sunshine...
