Autumn turns to winter  
And then winter turns to spring  
It's not just for the seasons you know  
It goes for everything

Clouds can turn to rain  
And then it just might snow  
You gotta take a lesson from mother nature  
And if you do you'll know

When it's time to change, then it's time to change  
Don't fight the tide, come along for the ride  
Don't ya see?  
When it's time to change, you've got to rearrange  
Who you are into what you're gonna be

Day by day it's hard to see  
The changes you've been through  
A little bit of living, a little bit of growing  
All adds up to you

Every boy's a man inside  
A girl's a woman too  
And if you want to reach your destiny  
Here's what you've got do

When it's time to change, then it's time to change  
Don't fight the tide, come along for the ride  
Don't ya see?  
When it's time to change, you've got to rearrange  
Who you are into what you're gonna be
