

# Brady Seals, My Love

Get on your mark get set  
Ready or not here I come  
You've been looking for love  
Well honey I can give you some

When your world is standing still  
I can turn it around  
Put your head up in the clouds  
And pick your feet off the ground

My love  
Are you ready for my love my love  
My love my love is ready for you  
If you're looking for a heart that's always true  
Only to you  
Then my love  
My love my love is ready for you

Girl I've heard it said  
That love is food for the soul  
I see the hunger in your eyes  
Burnin' out of control

My love is overflowing  
From a loving cup  
Girl I know you're down  
But love will lift you up

My love  
Are you ready for my love my love  
My love my love is ready for you  
If you're looking for a heart that's always true  
Only to you  
Then my love  
My love my love is ready for you

My love is overflowing  
From a loving cup  
Girl I know you're down  
But love will lift you up

My love  
Are you ready for my love my love  
My love my love is ready for you  
If you're looking for a heart that's always true  
Only to you  
Then my love  
My love my love is ready for you  
My love my love is ready for you  
My love my love is ready for you
