Braid, Eeyore & Easel

she said typewrite sad and all i had she said circles in squares ain't bad she said find it that was all i had she'd give everything for anything and all i had i borrowed

you gotta break this yeah and she'll break me in

sad paperweight sad and all i had sad subtleties make her mad said drown it sad and all i had she'd give everything for anything out of my system

measure me in love and i hate you i miss you i pity you measure me in love and she wanna? (well doesn't everybody?)
