

Braid, I Keep A Diary

ten ten ninety seven
rock springs wyoming hotel
as far as i can tell
i just don't miss you anymore
yawn and the tears tear
streams down the sink
you know what i think?
i can never yawn again

come on so long move on

one two and three
i can see exactly
just where you ruined me
nineteen i said i hated you
but kissed you on twenty-two
and music together
i meant it for a moment
twenty-two and through and through

come on so long move on

i'll keep you here
right next to me
and i promise to wait
if you say you're still coming.
