

# Brain Failure, Coming Down To Beijing

How it's so funny, how it's so lovely  
How it's so pretty, how it's so junky  
All the shit's happening in this city  
How did they build it, all the building  
It could be survives, in one second  
Leave for a week, can't find your home!

Welcoming down to the b.e.i.j.i.n.g.

What you gonna do, what you gonna listen  
What you gonna search, what you gonna check  
Buy a DVD, back your home drink Coca-Cola on your bed!  
Hey, baby you come on in July and December  
It's not the good time for real human being  
Hey baby you can light your  
Phoenix cigarettes in the toilet
