

# Brainers, I'm Mad

I would like to hear your voice  
but the silence is too strong  
and I think I have no choice  
I would like to see the stars  
but the darkness closed my eyes  
and I see just f\*\*kin' night  
I wanna live in madhouse  
I wanna feel the madness  
I wanna be a stupid  
I want ignore the future  
I wanna live in madhouse  
I wanna feel the madness  
I wanna be a stupid  
I want ignore the future  
I would like to kiss your feet  
but I can byte with my sharp teeth  
maybe I don't want to breeth  
I would like to visit joyhouse  
I would like to feel the madness  
I would like to live in madhouse  
I wanna live in madhouse  
I wanna feel the madness  
I wanna be a stupid  
I want ignore the future  
I wanna live in madhouse  
I wanna feel the madness  
I wanna be a stupid  
I want ignore the future  
I wanna live in madhouse  
I wanna feel the madness
