

Brainers, Ocean Of The Dreams

I'll be swimming in the ocean
in the ocean of the dreams
I'll be thinkin' 'bout the morning
when I wake up by the sea
I'll be living in the ocean of the dreams
till the morning comes
sometimes something happens in my mind
and I don't know what it means
maybe I will swim in sea tonight
maybe I have too much dreams
I'll be living in the ocean of the dreams
till the morning comes
I'll be living in the ocean of the dreams
till the morning comes
I'll be swimming in the ocean
in the ocean of the dreams
I'll be thinkin' 'bout the morning
when I wake up by the sea
I'll be living in the ocean of the dreams
till the morning comes
I'll be living in the ocean of the dreams
till the morning comes
