

Brainers, Stupid Eyes

you are looking at me with your stupid eyes
and your look is cold as f**kin' ice
c'mon kid think a bit
I'm feeling tired and f**kin'sick
c'mon kid think a bit
I'm feeling tired and f**kin'sick
you are looking at me with your stupid eyes
and your look is cold as f**kin' ice
through the lovers in the streets
you make me tired and f**kin' sick
through the lovers in the streets
you make me tired and f**kin' sick
c'mon kid think a bit
I'm feeling tired and f**kin'sick
c'mon kid think a bit
I'm feeling tired and f**kin'sick
