METRO JETS: I Trade tea bags for coffee
Tap water for wine
Don't you worry about me
'Cause I feel fine
Come over here, baby
Stand straight while you talk
And don't give me no tears
'Cause I can't use them at all

Oh oh oh oh...
You were everything to me
Oh, but nothing's gonna last forever
And I never really cared at all
No, nothing's meant to last forever
And I really didn't care at all
If you go away - or if you choose to stay
Don't really matter, oh no...

You're one in a million
Which basically means
There must be ten thousand people
Just like you - in this world
