METRO JETS: I Trade tea bags for coffee  
Tap water for wine  
Don't you worry about me  
'Cause I feel fine  
Come over here, baby  
Stand straight while you talk  
And don't give me no tears  
'Cause I can't use them at all

Oh oh oh oh...  
You were everything to me  
Oh, but nothing's gonna last forever  
And I never really cared at all  
No, nothing's meant to last forever  
And I really didn't care at all  
If you go away - or if you choose to stay  
Don't really matter, oh no...

You're one in a million  
Which basically means  
There must be ten thousand people  
Just like you - in this world
