

Brainpool, Smile!

My life was cold my days were blue
Until the day that I met you
You came to stay but went away
I've lost my love I've been betrayed
And I smile
'Cause the tears I cry I cry them inside
I fantasize
But my dreams are crushed when I look in your
In your eyes
Some things remain the same and some things change
A broken heart was all I gained
I turned my head the picture changed
The love I found was killed again
And I smile
'Cause the tears I cry I cry them inside
I fantasize
But my dreams are crushed when I look in your
In your eyes
My life was cold my days were blue
And nothing changed when I met you
And I smile
'Cause the tears I cry I cry them inside
I fantasize
But my dreams are crushed when I look in your
In your eyes
