ANNA: One man's Junk is another's treasure

It all depends on which way you measure

MAX: One man's Junk is another's treasure

Things that make you sad gives your brother pleasure

BOTH: 'Cause This Is Junk - This Is Junk

It's the same old Junk

MAX: Junk is an omnipresent material

ANNA: Sometimes it's known to cause hysteria

BOTH: Junk is the stuff that you dispose of

Junk is the stuff that you want no more of

It's in your bed - and in your nightshirt

It's the same old Junk

It's in your head - 'cause you're a pervert

It's the same old Junk

It's on your hands - and in the mirror

It's the same old Junk
