

Bran Van 3000, Mama Don't Smoke

Mama don't smoke that much dope
Don't you worry about me
Mama don't smoke that much dope
Don't you worry about me

I only get high about twice a day
It helps to keep my blues away

Chris said something 'bout all them
Long-haired Jesus Christ look alike
Shining down on me (bis)
I'm more laid back then you (bis)
I'm more laid back then you will ever be

Mama don't smoke that much dope
Don't you worry about me
Mama don't smoke that much dope
Don't you worry about me

I only get high about twice a day
It helps to keep my blues away...
