

# Bran Van 3000, Supermodel

Oh, look at all this comp'ny comin' 'round tonight  
Even Catherine O'Hara's coming by to say hello  
You really wanna know?  
Well, I tell ya, I'll have to pour myself another little moonshine  
Here we go

Was a sweet and frosty May  
In the town of Thunder Bay  
One day I went the day when I was sweet brush sleep  
Found a weepin' willow sit down to the Thunder Bay a-go-go  
Oh, the wind was real soft  
Poor little wind just having a break

Later on that month they all went for pepper brunch  
at the We're All in This Together Diner
